

Unicorn magic on the go: Connector felt tip pen gift set

They decorate windows and TV screens, fashion accessories and storybooks - now the magical mythical creatures are also available for on-the-go: with Faber-Castell's new Connector felt-tip pen set in snow globe shape, little unicorn fans can always have their favourite motif with them and be wonderfully creative at any time. The decorative metal case is filled with 33 bright Connector felt tip pens and offers a complete rainbow palette for magical moments of all kinds. This painting pleasure "to go" is the ideal gift for active young artists. Conveniently, the ink can be washed out of most textiles with ease. And if something should get mixed up in the snow globe: The special clip on the cap makes it easy to put the felt pens together and tidy them up.
